Application for Admissions

Required Documents

To apply to Conception Seminary College (CSC), please provide the following documents:

- 1) **Application Form Personal Information:** form provided by CSC.
- 2) **Autobiography:** (900 1,200 words) covering the applicant's faith history, family history, work history, and educational history.
- 3) **Photo of applicant:** either in print or electronically (recent head shot preferred).
- 4) **Two Letters of Recommendation**: one from candidate's pastor and one from a person, other than family, who knows the candidate well.
- 5) Official Transcripts: issued directly to CSC, reflecting all academic work. Please note that these documents must be received before an applicant can be considered for admission. All documents transcripts, General Educational Development (GED)/High School Equivalent (HSE) certificates, ACT Assessment Reports, other standardized test reports, World Educational Services (WES) evaluations, etc. —must be issued directly to CSC to be considered official. Official documents submitted to the diocese and later forwarded to CSC cannot replace the official documents that must be issued directly to the CSC.
- * Freshman applicants must arrange to have official transcripts sent from the last high school attended. A partial transcript should be submitted if the applicant is still in school. Graduates from state-approved home school programs must provide either a diploma from a regionally-accredited high school or an official GED/HSE certificate as proof of equivalent academic achievement. If the applicant who has completed the home school program does not have either of these, but has taken the ACT test and earned a composite score of around 20, an official ACT report will be accepted in lieu of the high school diploma or GED/HSE certificate. Graduates from a state-approved GED/HSE program must provide an official GED/HSE certificate indicating satisfactory completion of program.
- * *Transfer students* must provide official transcripts from all colleges or universities attended, even if no credit was earned. If the transfer student has completed less than one full year of college, he also must provide high school transcripts and an ACT/SAT Assessment Report. A partial transcript should be submitted if the applicant is still enrolled at the college/university.
- * International students who have completed course work at an institution outside of the United States are required to arrange for special evaluation by an international evaluation agency. CSC recommends that the applicant submit his credentials to World Educational Services (WES) for a course-by-course evaluation before applying to the seminary college, so that the transfer work can be considered during the admissions process. Students who have already had international credits evaluated by a different agency should contact the Registrar's Office (registrar@conception.edu) to ensure that the evaluation is acceptable. Information concerning the evaluation process can found at www.wes.org.
- 6) **ACT/SAT Assessment Report:** issued directly to the college. The student should designate CSC (ACT code 2280; SAT code 6112) as an intended score recipient when the test is taken. If provision for this service was not made when the ACT/SAT examination was taken, a special request must be made to ACT/ SAT to authorize an official score transcript be sent to CSC.

- 7) Three Physical Examination Reports (attached): the Student Form: Medical Information form filled out by the student, a Physician's Form: Physical Exam form completed by an examining physician, and the Meningococcal Vaccination Requirement form including drug screening and HIV testing completed by the applicant's health care provider. All three reports should utilize the CSC forms provided. HIV test results are often granted only to the individual. If this is the case, the candidate must provide a photocopy of the results to the Admissions Office, where they will be kept as confidential information.
- 8) **Certificates of Baptism and Confirmation:** issued by the parish where these sacraments were received.
- 9) **Interpretive Psychological Report:** by a licensed clinical psychologist for whom the applicant is required to complete a full battery of psychological tests. CSC's Department of Counseling Services has prepared *Guidelines for Psychological Evaluation* designed to inform the applicant, any sponsoring agent, and the evaluating psychologist of the specific requirements regarding the evaluation. The written interpretive report and test scores should be released and sent to the Director of Counseling Services at:

CONCEPTION SEMINARY COLLEGE DIRECTOR OF COUNSELING SERVICES P.O. BOX 502 CONCEPTION, MO 64433

- 11) **Letter of Sponsorship:** issued by the applicant's (arch)diocese or religious community, including notice of canonical impediment status.

No canonical impediments to ordination must be present for admittance to the seminary unless duly dispensed by appropriate authority in accord with the norms of ecclesiastical law. *Codex Iuris Canonici* (Code of Canon Law, n. 1041) lists the following as impediments to receiving Holy Orders:

- Candidate exhibits some form of psychological insanity that expert consultation deems him unqualified to fulfill priestly ministry.
