

How will you answer His call?

MISSIONARY DISCIPLES:

Together, let's answer God's Call to build up the Church.

The seminarians at Conception Seminary College are walking the journey of missionary discipleship. They have answered God's call to discern the priesthood and have stepped away from the noise of the world to do so here at Conception. These men surrender themselves to God's call upon their lives, hoping to one day shepherd many people of God to do the same. Will you support our work of forming these men to lead our Church?

From the priests of tomorrow to the members of the parish, each of us is called to share God's love. We invite you walk to with us on this journey of missionary discipleship.

Join us **Friday, October 18** for an online Day of Giving to support our seminarians.
